

#1. A paragraph for your church bulletin

The Interfaith Immigration Coalition and Senator Dick Durbin are turning to the churches for help in asking Congress to pass the DREAM ACT. The DREAM Act is a bill now in Congress. It is a human rights issue. It will provide undocumented students the freedom to study and work and pay for their own education – or serve in the US Armed Forces. It will free them from fear, incarceration and deportation. They belong to Arizona. They were not born here but were raised here and educated in our public schools. They have learned English and have been good citizens and good students. They need the DREAM ACT now. Please ask Congress to pass the DREAM ACT.
