HAITI UPDATE:

Presbyterians have been very generous in donating to the Presbyterian Disaster Assistance (PDA) for victims of the devastating earthquake in Haiti. As of Feb. 2, PDA has collected about \$2 million in donations for Haiti relief and recovery. So far, \$409,000 has been sent - \$209,000 for the kits and \$200,000 for a Leogane hospital that was damaged in the earthquake.

MISSION GROUP SEEKS LODGING

The Senior High Class at Menaul School in Albuquerque and their sponsors are looking for lodging during the week of March 27-April 1 for about 20 people total. They will be in town to help Central Presbyterian Church with some room painting. A church that might have showers or accessible homes for showers would be a plus. They are willing to bring their own bedding and sleep on floors! Kitchen facilities for breakfasts and possible dinners for our meals would be a plus. They will also be looking to find churches who donate to Menaul that might want to host dinners for them. For more information, contact Buddy Monahan at Soonerndnboy@aol.com.
