Dear Carolyn,

The Presbytery of Grand Canyon's Accompaniment Program that took place the month of August has received extremely positive feedback, both locally and nationally. Because it has been so meaningful to those participating, Presbyterians are being invited to sign up for more visits to our Hispanic congregations between October 17 and November 14. Contact carolynm@pbygc.org with your plans to attend.

PROGRAM EXTENDED INTO NOVEMBER-"All visits will be welcome!"

"The church is praying... it understands ...that all humans are treated with dignity". All five of the Presbytery of Grand Canyon's Hispanic congregations received visitors during the month of August from their Anglo sisters and brothers in Christ. Following are some of the comments we have received:

"I had a wonderful time during my visit to Guadalupe Presbyterian Church. It is a small congregation, but every attendee greeted me. I speak a little Spanish, so I enjoyed the opportunity to participate in a bilingual service....it was good to hear the personal stories."

"The majority of those visiting expressed words of encouragement and of help to the ministry at times of need. "

"Five elders including myself from Heritage worshipped at Dios Es Amor on Sunday evening. It was vibrant worship with awesome singing and praise to the Lord."

Reserve your place today!

E-mail carolynmcburney@pbygc.org to sign up. You will receive directions and further information prior to your visit.

Sincerely,

Presbytery of Grand Canyon
