

April's Event

After Sunrise Service on the hill, the SinLiinii Singers provided Breakfast. The Easter Service consisted of Baptism.

Palm Sunday: "Hosanna, Hosanna!" The Sunday School kids and families walked from the road. Local branches were used for the palm.

The Clan of Christ Fellowship

Carefree Desert Hills P.Church came on a beautiful day. As usual Leupp had alot to show-off to their sister church. Everyone went down the canyon. Though the water was not flowing there was a pond down in the canyon. Guess what, we lost the Carefree Youths in the canyon. They continued to play while the other group went to the cinder hill. We hiked up only a distance and down the hill we came. The sight was beautiful.

WORSHIP TOGETHER:

Desert Hills brought out the communion table as a gift to Leupp church. It was only appropriate to break the bread of our LORD'S SUPPER together. Our retired CLP Raymond Begay officiated the communion.

The GRAND PIANO was also dedicated to the service of the LORD. You should have heard the initiation by a great musician from Carefree. It was NEAT!

The Gathering was topped-off with A NAVAJO TACO Dinner. The Leupp Young Adults are making the Fried Bread.

The Message was given by Steve and Nan Searle; WOW...a powerful testimony on MARRIAGE. The spirit of LOVE was still hovering after weeks following. Thank You Steve & Nan.
